

Hang Week's Wash in a Few Minutes on a Hill Clothes Dryer

Clean Compact

Why continue to fuss with unsightly, ungainly clothes lines and poles when you can get this neat, compact, convenient Hill Dryer. Instead of being spread all over the yard and supported by numerous poles, every inch of every line on the Hill Dryer is within easy reach—so you can hang the whole wash without moving a step, without having to drag the heavy basket up and down the yard through snow or damp grass.

Set up a Hill Dryer in a convenient spot near the house and see how many steps, how much time, work and bother it saves. Once used it and no one could ever coax you back to the old-fashioned clothesline method. Hill Dryers are made in several sizes and styles for lawn, balcony and roof. Hold 100 to 150 feet of line—revolve so line comes to you—taken apart, folded up and put away, keeping your lawn entirely clear of obstructions.

Capacious Convenient

Let us put one up in your yard ready for next wash-day. Or call and see it.
